

CABOOLTURE COMPETITIVE TRAIL RIDE

SUNDAY 31st JANUARY 2010

Congratulations to everyone! 90 nominations made sure that our first Competitive Trail Ride was a huge event.

In spite of the weather, very few riders withdrew and the smiles on faces after the ride told it all. Many riders were competing in their first CTR and they were rewarded with new experiences and new confidence.

The weather promised to behave itself on Sunday morning but let us down around 10 am and throughout the day so much so that Judge Point 10 was abandoned as rain in that area was unrelenting.

All the other Judges and Pencillers braved the conditions for 6 hours and did a valiant job trying to keep their score sheets dry – they had given up on themselves!

Many of the score labels were so wet the Ride Secretaries had to re-write the scores and comments in order to provide riders with their score sheets. In spite of this, the secretarial team managed to get all the results collated by 10 to 3pm for the scheduled Presentation – a fantastic effort.

Our Horse Health team was on duty on Saturday afternoon as well as Sunday from 6.30am to 2.30pm. What a marathon and what conditions! They were still vetting riders out regardless of the weather while riders who had finished their ride were re-presenting.

Our ride and parking marshals keep going under similar conditions and all the time maintained their good cheer. Along with our catering crew, our volunteers were all worth their weight in gold.

I take this opportunity to also thank and acknowledge Denise and Gordon Morton, local residents, who allowed the ride to go through their property.

I also thank everyone for respecting my property – with spasmodic but torrential rain, over 200 people and 90 horses, it was a recipe for a disastrous outcome to my property and my neighbour's back paddock.

My special thanks therefore go to our CTHC workers who chipped in after everyone had departed on Sunday to rake out the tyre tracks and do everything to restore my property.

Many riders have taken the time to let me know what a great time they had which is greatly appreciated. It was a pleasure to organize the ride and I hope everyone enjoyed it as much as I did.
